

Registration for Partial Examination in Elective Modules

Name: Student ID

--	--	--	--	--	--	--	--

born on in WS/SS

Major: *Distributed Systems Engineering*

Module : <i>DSE-10-E13 - Introduction to Computational Logic</i>		
Lecture Title	Lecturer	SWS
Science of Computational Logic	Prof. Steffen Hölldobler	4

This registration includes the application for completion of the module incl. the examination in *Logic*.

The following is to be confirmed by the applicant:

I hereby confirm that I have not failed the master's examination or a comparable examination in the major of Computer Science at any university or an equivalent institute for higher learning and I am not currently involved in an examination process in such a major.

_____ Date

_____ Applicant Signature

Service Center for International Students (SCIS): *To be filled out by the SCIS*

The SCIS confirms the registration for examination according to the respective examination regulations for the international major *Distributed Systems Engineering*. The current matriculation certificate was presented.

_____ Date

Stamp

_____ SCIS Signature

Examiner:

During oral examinations, a protocol is to be taken. In particular the protocol should make clear the reason for the grade allocation. Immediately following the oral examination, the candidate is to be informed on the result.

Examination Certificate:

Type of Examination	Date	Examiner`s Signature and Stamp	overall grade
First Examination			
1 st Reexamination
